Firstly we would like to welcome the management team, committee, players and supporters of Netherton United to Stanway School. We hope you have all had good trips here and all have a safe journey home.

Today we find ourselves back at Stanway School due to the condition of the pitch at the BES.

The last 3 fixtures, all being local games have seen some very mixed results with a 2-0 defeat to Clacton Town at Coggeshall followed by probably the best performance of the season in the 4-1 win v Holland FC.

Then last Saturday we took the short trip East to local rivals Wivenhoe Town and went down 3-2 despite leading both 1-0 and 2-1.

Today we welcome Netherton United to the home of the Reserves and Under 23s, Stanway School. Both this and the next home fixture v Parson Drove will be here due to the condition of the pitch at Coggeshall and the move will ensure the games 100% go ahead as both opposition will have travelled a long way.

Today is the first time we have ever played Netherton United who come here sitting in 5th place after a good start to the season.

Tuesday evening we have a local game away at AFC Sudbury, see you there ?

BILLY WENT TO WEMBLEY

"I can't believe I'm actually here."

Those were six-year-old Billy's words as he sat at Wembley watching England last week.

Billy joined Pegasus at the start of this season and absolutely lives for football. But after recently being diagnosed with Perthes disease, he's had to stop playing and is currently using a wheelchair while he begins his journey towards getting back to the game he loves.

After what has understandably been a really tough few weeks, our very own Ian arranged tickets for Billy and his family to experience England at Wembley.

And we think these photos, (and those on the front cover) say it all.

"I can't believe I'm actually here."

Billy's mum told Ian Booth afterwards:

"He turned to us a few times during the game and said 'I can't believe I'm actually here.' You made a little boy, who's going through a tough time, very happy."

A huge thank you to Ian for making this happen.

Billy might not be able to play alongside his teammates right now, but he's still very much part of the Pegasus family — and has even been helping his Dad coach the U8 Reds while he waits for the day he can get back on that pitch.

Billy's family and friends have also set up a GoFundMe to help give him back some of the independence he's lost, including support towards an electric wheelchair, adaptations and therapy.

NETHERTON UNITED

CLUB HISTORY

Founded in 1992, Netherton United FC began life as a local school team and has since grown into one of Peterborough's largest and most established community football clubs.

Based at The Grange in Netherton, the club is proud to hold 3-Star FA Accreditation and now provides football for men's, women's and youth teams across a wide range of age groups. With more than 38 teams representing the club, Netherton United offers a pathway for players from their first experience of football through to the senior game. At the heart of the club is a commitment to providing safe, inclusive and high-quality football for the local community. Netherton is supported by a large network of volunteer coaches, managers, committee members and helpers, who give their time to provide opportunities for hundreds of players every week.

The club has continued to develop both on and off the pitch, with ongoing work at The Grange helping to improve the facilities and create a home that reflects Netherton United's ambitions. The aim is to build a sustainable club where young players can develop, enjoy their football and see a clear route into senior football.

The 2025/26 season proved to be one of the most successful in the club's history. The Men's First Team won the Peterborough Premier Division and completed a memorable league and cup double, securing promotion to Step 6 football for the first time. That achievement marked a major milestone for everyone connected with Netherton United and was the result of many years of work behind the scenes. It also created a senior side for the club's younger players to aspire towards as they progress through the age groups.

As Netherton United moves towards its 35th year, the club remains proud of its community roots while continuing to grow and look towards the future. The journey from a local school team to Step 6 football has been a remarkable one, but everyone at the club believes there is still much more to come.

AFC PEGASUS

HISTORY

AFC Pegasus Colchester Football Club was derived from the most successful Sunday League side in Colchester history, AFC Pegasus, who won an incredible 64 honours over a period of 30 years with Paul and Heather Booth at the helm for every one of them.

AFC Pegasus in turn was created from Pegasus Youth in 1985 who had a great history in the Colchester Youth League for many years dating back to the early 1970's with the founder being Mr Peter Peters.

When Paul and Heather stepped aside a new era under son, Ian Booth (pictured above in red with Paul) was about to begin and the transition from Sunday League to Saturday football for the senior team in 2018 opened the door for the return of the youth set up at the club.

With a moved to Stanway School the club name was changed to Stanway Pegasus.

With passion and drive to succeed than ever before, both off and off the pitch, we were ready to start that new era. With various youth and men's teams in full swing, our vision is to be one of the biggest clubs in Essex that has men's teams competing at a high level of non-league football who lead the way for the youth set-up.

This youth set-up will progress through their age groups starting at U6's, all the way through to U18's.

This is what we call 'The Pathway'. Although player development is a key aspect of our philosophy, the aim for the youth is to enjoy playing football for Pegasus and looking at the talented home grown youth squads we have, boys and girls the future is looking very good under the guidance of our Head of Youth Ray Turner.

The Club prides itself hugely on former and current players plus youth managers taking up major roles within the Club whilst surrounding ourselves with people we trust.

Soon to be added to the Pegasus family were the women, girls and recently the Vets as the club proudly sits at over 30 teams have been the fastest growing Club in the area and success Is no stranger with many league titles and promotions along with cup success the Club Is blossoming into a huge success story and long may It continue.

Senior football for the men's first team was secured for the first time at the end of the 2021 /22 season with the team gaining promotion from Essex and Suffolk Border Premier League where they went unbeaten winning the league with 98 points from 34 games scoring 126 goals in the process.

They also beat Tiptree Heath 1-0 in the League Cup Final at Little Oakley. Max Booth was the Division's top goal scorer with 34 (26 league and 8 Cup)

2022/23 Season saw the team in the Eastern Counties Division One South where we narrowly lost out on promotion at the first attempt via a penalty

shoot out after a 2-2 draw against Sporting Bengal.

Although heartbreaking at the time looking back and what a debut season for the club in senior football. Callum Griffith was the Division's top goal scorer with 32 (29 league and 3 Cup / Play offs)

Rosi Webb (Pictured below left) was a revelation for our club during this period being the Men's 1st team manager while also playing in the successful ladies' teams she was indeed Mrs Pego and quite rightly got the accolades she deserved.

From the 2023/24 Season the Men's first team moved sideways from the Eastern Counties Division One South division to the North division while the Men's Reserve team are competing in the Essex and Suffolk Border League's Premier Division.

The ladies have been just as successful in a short period of time with winning the Essex County Woman's Premier League piping by 2 points local rivals Stanway Rovers to seal back to back promotions that now see them competing in the Eastern Region League for the first time as the club looks to push on in all fronts.

A Ladies reserve team was started up and joined the Essex County Woman's League Division 3.

The club also entered the FA Vase for the first time playing six matches beating Haverhill Borough, Takeley, Halstead Town, Barkingside and London Lions before falling to eventual finalists Romford in the 4th Round proper.

The first team season ended in Play Off defeat for a second season running, this time 3-0 at Holland FC in the Semi Finals.

2024-25 season was the best league season so far, finishing runners up in Eastern Counties Division One North and only missing to in the play off final to Harwich & Parkeston on pens.

In November 2025 after 6 years in charge Rosi Webb moved on to a role in the Charlton Athletic Ladies set up and Jon Moody took on the first team manager role.

After the mixed first half to the season the team picked up and claimed a play off place. After beating Holland FC away in the semi final we lost 3-0 at FC Peterborough in the Final.

For the 2026-27 season a new era began as the club reverted to the name AFC Pegasus Colchester and also started the new side in the Under 18s Thurlow Nunn League.

Dale Vince and Darragh MacAnthony clash over Robbie Savage's Forest Green Rovers exit

Forest Green Rovers owner Dale Vince has accused Peterborough United of making an illegal approach for Robbie Savage, but Posh chairman Darragh MacAnthony insists the club followed the correct process.

Forest Green Rovers owner Dale Vince has accused Peterborough United of making an illegal approach for manager Robbie Savage – an allegation Posh chairman Darragh MacAnthony has denied.

The spat between Vince and MacAnthony unfolded after the Forest Green chief told BBC Radio Gloucestershire that he initially refused Peterborough permission to speak to Savage before eventually agreeing to let the League One club interview their manager.

A statement from the National League outfit was released on September 29, confirming he was allowed to begin talks with the EFL side.

However, Vince alleges Posh contacted Savage before he had granted permission for the club to speak to his manager, prompting the dispute over the circumstances of the move, which was completed a few days later on October 2.

Illegal or correct approach?

"He's [Savage] a friend and it was very hard to say no, so I said 'fine, go and talk to them,'" Vince said.

"Peterborough themselves have covered themselves in no glory here. They came to us and said 'we would like to speak to your manager'.

"We said no and so they spoke to him and then he came to us and said 'I hear Peterborough want to speak to me'.

"So, that's an illegal approach."

However, MacAnthony (below left) has disputed Vince's account, insisting that Peterborough followed the rules throughout the appointment process as the pair traded blows on X.

He said: "The process to appoint a new manager was 100% correct and proper following all the rules.

"I have been an owner for 20 years in the EFL and have respect for the process."

Vince (above right) hit back and wrote: "Darragh MacAnthony either is not telling the truth here or he doesn't know what's happening at his own club.

"Because absolutely, we refused permission to speak, and contact was made in any event, which caused this whole thing to come to a head.

"So the rules were broken. That's a fact."

Permission

In response, MacAnthony claimed that Peterborough director of football Barry Fry had contacted Forest Green counterpart Mark Bowen to request permission to interview Savage.

"Not sure why you are persisting with this narrative Dale," MacAnthony replied.

"Barry Fry called Mark Bowen to ask permission to interview your manager.

"You guys sent three different emails I believe regarding compensation and gave us permission to interview him.

"Nobody at my club offered your manager an interview until official permission was granted for the interview regardless of the speculation or indeed the various statements you put out around it all."

Forest Green have not confirmed whether they have contacted the Football Association over the alleged illegal approach.

The contribution AFC Pegasus makes away from the touchline has been brought into sharp focus, with the club's annual social value calculated at £1,227,400 across the Colchester community.

The figure reflects much more than matches played or teams supported. It captures the wider value created through volunteering, local economic activity, reduced pressure on health services and positive outcomes for mental health and wellbeing, offering a broader picture of the role the club plays in the lives of its members and the community around them.
