Thurlow Nunn League

RECENT

Season 2014 / 2015 was yet another historic one for the club as the 1st Team became Ryman League Division 1 North Champions sealing promotion to The Ryman Premier Division for the first time. A season long battle ensued with Harlow Town but the club managed to win the league courtesy of a professional, classy 5-0 victory away to Chatham Town on the final day of the regular season.

A first for the club also saw our Reserve Side compete at Step 6 Thurlow Nunn Division 1 for the very first time. Conducting ourselves very well we finished in a respectable 16th position having won 10 out of 12 points in the last 4 games of the season.

The Youth Team had a great run in The FA Youth Cup reaching the 1st Round Proper for the very first time only to bow out to Stevenage losing 4-3 in a pulsating game. They did however provide more silverware for the club as they won The Thulow Nunn Youth Cup for the first time defeating Histon 3-1 to cap off a brilliant season for the football club.

Season 2015 / 2016 saw the 1st Team competing at Step 3 of The Football League Pyramid for the first time in the Clubs History. Having won the Ryman North Division the previous Season they were now playing in The Ryman League Premier Division, which turned out to be a very hard season compared to the previous one. Survival was the main aim and this was achieved finishing in 20th position.

The Reserve Team struggled in The Thurlow Nunn Division 1 League finishing bottom of the table with the Youth Team finishing in 3rd place in The Thurlow Nunn Youth

League. Disappointingly both FA Competitions Cup & Trophy were exited at the first hurdle but once again the Youth Team had a good run in The FA Youth Cup.

The 1st Teams second Season at Step 3 Season 2016 / 2017 saw them occupy a Play-Off Spot for virtually all of the season leading the table for several weeks along the way. However results towards the end of the season saw them drop out of contention finishing in 9th place, but this was a great achievement compared to the previous season's relegation battle.

The youngsters in the Reserve Team found life tough again in The Thurlow Nunn Division 1 finishing third from bottom and the Under 18 Youth Teams both finished in 6th place in their respective leagues (Thurlow Nunn Central Division & Eastern Junior Alliance). Overall the Club is in a very good position both on and off the field with many exciting times ahead for everyone connected and involved with Needham Market FC.

Season 2017 / 2018 was an indifferent year for the 1st Team with too many inconsistent results seeing the side in the bottom half of the table but always clear of the relegation area. The ethos of the Reserve Team was to continue to play youngsters and despite struggling physically at times the football played was very good and often complemented by the opposition.

The midweek Under 18 Youth Team finished in mid table

HISTORY

but could not finish their league campaign due to such a backlog of fixtures caused by the wet weather. The club increased its Youth section competing in the Eastern Junior Alliance League at U18, U16, U14 & U13 levels with a mixture of league and cup results.

Season 2018 / 2019 overall was a very good year both on and off the pitch for the whole club. The 1st Team were moved sideways to the Southern League South following The FA's League Re-Structuring. This was by no means an ideal scenario but having been in the play-off frame for the majority of the season they fell away in the second half finishing in 11th position.

The Reserve Team got off to a less than ideal start finding themselves near the foot of the table and in a relegation battle, but at the turn of the year their form was transformed and they finished comfortably clear of trouble and their highest finish in the Eastern Counties League Division 1 North.

The U18's had their best season finishing 3rd in the league just missing out on the end of season play-offs. The introduction of our Women's Team was a breath of fresh air as they had a tremendous first season finishing as runners up in the league and reaching two cup finals, something that was never thought possible having only been formed at the start of the season.

The Eastern Junior Alliance Youth Teams all performed very well in their respective leagues and 3 out of 4 Cup Finals reached were successful in bringing home winners medals. The 3G Pitch is now fully complete along with a 2 storey building housing changing

NEEDHAM MARKET FC

rooms, spectator toilets and a disabled lift downstairs, with a café and bar and function room on the first floor ready for business. A viewing veranda round three sides of the upstairs completes the building.

Season 2019 / 2020 unfortunately did not get completed due to the Coronavirus Pandemic leading to an end in March 2020 for all Non-League & Youth Football. All results were therefore expunged and the season null and void. Prior to this terrible situation the 1st Team were in Mid Table and in a good run of form looking to push on for a late Play Off position. The Reserve Team were having a particularly good season and also found themselves in mid table the highest position they had reached since entering the league and were the top placed Reserve Side in the division.

The U18's were having a tremendous season reaching the top of the table having won all of their 11 matches played and were odds on for winning the league to progress to the knockout stages of the competition. Our ladies teams were also having fine seasons before the premature ending of the league campaign as were all of the youth teams with many reaching the latter stages of cup competitions. Although disappointing the season had to end early it was the only outcome that could have been reached due to the Coronavirus Pandemic and our thoughts and prayers go to all those effected.

Like the previous year Season 2020 / 2021 did not get completed due to the Coronavirus Pandemic. The season was halted in Dec 2020 and when it came to a potential re-start the decision was made

at the end of Feb 2021 to declare the season null and void due to the ongoing pandemic. Although having only played a handful of games the 1st Team remained unbeaten and were joint top of the Southern League Premier Central, the Reserve Team were in mid table Thurlow Nunn Division 1 North and the U18's had won both their matches played. The Ladies 1st Team were looking good for a top three finish and the Ladies Reserve Team were just above halfway.

They did manage though to reach the County Cup Final (twice in the last three seasons) only to face Ipswich Town again and lose the match. The only football that could get completed were our Boys Youth Leagues U13's - U16's and they all performed exceptionally well. Our U15's reached the Semi-Finals of their National Cup Competition.

Season 2021 / 2022 was all about the 1st Teams Record Breaking, History Making, FA Trophy exploits, as they reached the ¼ Finals of the National Competition. Having played 6 matches prior to the ¼ Finals victories had been recorded Away to St. Ives Town, Home to Margate, Home to Welwyn Garden City, Home to Wealdstone, Away to Yeovil Town and Home to Dartford. To put this in context Dartford play in National League South (1 League above), while Wealdstone & Yeovil Town play in the National League (2 Leagues above).

With regards to Yeovil they were playing Championship Football in 2013-14 and to go there as massive underdogs, play the way we did and come very close to winning the match at the death was unbelievable. The penalty shootout that

followed was nothing short on phenomenal winning 8-7 with Marcus being hailed as the hero saving four penalties. Then came the small matter of Stockport County Leaders of The National League (which they went on to win being promoted back to League 2). In truth this was always going to be an immensely difficult match, and so it proved to be a step too far as they ran out comfortable 3-0 winners but lost in the Semi-Final to Wrexham.

The way the club conducted themselves during this Cup run especially against the higher league opposition, with the organisation and logistics of the matches, was exceptional and the whole team and club have lasting memories forever with their achievements.

A Final League position of 12th in The Southern League Premier Central must go down as a disappointing return, with the first League win coming at the tenth time of asking in Mid Oct 2021, and also recording the highest number of draws which left us for much of the season in the lower realms of the league.

The Season was finished off by retaining the Suffolk Premier Cup for a further year having beaten Leiston on penalties 5-4 just as we did in the 2007-08 final. The Reserve Team finished just below halfway in the Thurlow Nunn Division 1 North, with our U18 Team remaining unbeaten all season and comfortably winning The Thurlow Nunn Central Youth League by 9 points.

The Women's 1st Team comfortably won the Eastern Region Women's Division One North by 7 points to gain promotion to the Premier Division.

2014

TO 2026

The Legacy of FC Peterborough. Founded in 2014, FC Peterborough emerged with a noble vision: to serve as a beacon of opportunity, empowerment and excellence for young individuals both on and off the pitch.

From humble beginnings, the club has grown into a formidable institution, home to over 300 players spanning age groups from U7s to adults, a true community driven force grounded in ambition, perseverance and unity.

Our journey commenced in the 2014/15 season with a single team competing at the Fulbridge Recreational Ground, a public park emblematic of our grassroots ethos. That inaugural campaign concluded with remarkable success: runners-up in the league and victors of the Chromasport League Shield.

Momentum continued into 2015/16, as the team secured second place in PDFL Division Four and narrowly missed glory in the PFA Minor Cup Final.

The 2016/17 season brought further advancement: another runners-up finish in Division Three, a place in the PFA Junior Cup Final and the establishment of our Veterans team expanding our legacy into the seasoned echelons of the game.

The 2017/18 season saw us ascend into Division Two, with both the First Team and Reserves achieving promotion, evidence of the club's growing depth and calibre. In 2018, the stewardship of the First Team transitioned to Ahmed Mustafa, under whose leadership we competed in Division One with competitive spirit, albeit missing out on further

promotion.

The 2020/21 season, impacted by the global COVID-19 pandemic, marked a managerial transition as Imtiaz Ali assumed control of the First Team.

The following season brought about further evolution: Shahzad Hamid was promoted to First Team manager, while Faizal Ur Rehman took charge of the Reserves, guiding them through the challenges of Division Three.

A significant milestone arrived when, at a pivotal juncture in the club's journey, we transitioned from the limitations of Fulbridge Road to the Focus Centre at Chestnut Avenue, formerly the home of Peterborough Northern Star.

This historic venue, steeped in local footballing heritage, provided the foundation upon which our aspirations could flourish further.

FC PETERBOROUGH

The 2022/23 season etched itself into the annals of FC Peterborough's history. Leading the PDFL Premier Division at the winter break, the team's valiant campaign culminated in promotion to Step Six, a monumental achievement.

Our debut in the Thurlow Nunn Eastern Counties League in 2023/24 ended in a respectable 11th place finish out of 21, solidifying our presence at this elevated level with unforgettable moments and memories created by those who proudly wore the green shirt.

In the 2024/25 campaign, the club amassed an impressive 70 points, our highest-ever tally at this tier, falling short of playoff qualification by a mere two points. Although the outcome brought disappointment, the season marked a clear

trajectory of progress and resilience.

The goal for 2025/26 is clear: to surpass this points milestone and continue climbing. Crowning a decade of relentless dedication, FC Peterborough was honoured with a Civic Award for Sport by the Peterborough City Council, an accolade that reflects the profound impact of our contributions to the local community.

At the heart of this journey stand nine visionary founders: Arif Aziz, Hamad Javed, Imtiaz Ali, Kamran Khan, Mohammed Ashraf, Nadeem Parvez, Raheel Saghir, Shahzad Hamid and Younes Tajer. These individuals laid the foundations of a dream, nurtured it with tireless commitment and transformed it into a living, breathing legacy. This is FC Peterborough. Better, Together.

Stanway Pegasus Stanway Pegasus Football Club was derived from the most successful Sunday League side in Colchester history, AFC Pegasus, who won an incredible 64 honours over a period of 30 years with Paul and Heather Booth at the helm for every one of them.

AFC Pegasus in turn was created from Pegasus Youth in 1985 who had a great history in the Colchester Youth League for many years dating back to the early 1970's with the founder being Mr Peter Peters.

When Paul and Heather stepped aside a new era under son, Ian Booth (pictured) was about to begin and the transition from Sunday League to Saturday football for the senior team in 2018 opened the door for the return of the youth set up at the club.

With passion and drive to succeed than ever before, both off and on the pitch, we were ready to start that new era. With various youth and men's teams in full swing, our vision is to be one of the biggest clubs in Essex that has men's teams competing at a high level of non-league football who lead the way for the youth set-up. This youth set-up will progress through their age groups starting at U6's, all the way through to U18's.

This is what we call 'The Pathway'. Although player development is a key aspect of our philosophy, the aim for the youth is to enjoy playing football for Stanway Pegasus and looking at the talented home grown youth squads we have, boys and girls the future is looking very good under the guidance of our Head of Youth Ray Turner.

The Club prides itself hugely on former and current players plus youth managers taking up major roles within the Club whilst surrounding ourselves with people we trust.

Soon to be added to the Pegasus family were the women, girls and recently the Vets as the club proudly sits at over 30 teams have been the fastest growing Club in the area and success is no stranger with many league titles and promotions along with cup success the Club is blossoming into a huge success story and long may it continue.

Senior football for the men's first team was secured for the first time at the end of the 2021 /22 season with the team gaining promotion from Essex and Suffolk Border Premier League where they went unbeaten winning the league with 98 points from 34 games scoring 126 goals in the process.

They also beat Tiptree Heath 1-0 in the League Cup Final at Little Oakley. Max Booth was the Division's top goal scorer with 34 (26 league and 8 Cup) 2022/23 Season saw the team in the Eastern Counties Division One South where we narrowly lost out on promotion at the first attempt via a penalty shoot out after a 2-2 draw against Sporting Bengal.

Although heartbreaking at the time looking back and what a debut season for the club in senior football. Callum Griffith was the Division's top goal scorer with 32 (29 league and 3 Cup / Play offs)

Rosi Webb was a revelation for our club during this period being the Men's 1st team manager while also playing in the successful ladies' teams she

was indeed Mrs Pego and quite rightly got the accolades she deserved.

From the 2023/24 Season the Men's first team moved sideways from the Eastern Counties Division One South division to the North division while the Men's Reserve team are competing in the Essex and Suffolk Border League's Premier Division.

The ladies have been just as successful in a short period of time with winning the Essex County Women's Premier League piping by 2 points local rivals Stanway Rovers to seal back to back promotions that now see them competing in the Eastern Region League for the first time as the club looks to push on in all fronts.

A Ladies reserve team was started up and joined the Essex County Women's League Division 3.

The club also entered the FA Vase for the first time playing six matches beating Haverhill Borough, Takeley, Halstead Town, Barkingside and London Lions before falling to Romford in the 4th Round proper.

The first team season ended in Play Off defeat for a second season running, this time 3-0 at Holland FC in the Semi Finals. 2024-25 season was the best league season so far, finishing runners up in Eastern Counties Division One North and only missing to in the play off final to Harwich & Parkeston on pens.

In November 2025 after 6 years in charge Rosi Webb moved on to a role in the Charlton Athletic Ladies set up and Jon Moody took on the first team manager role.

MEN'S FIRST TEAM ACTION

2025-26 STANWAY PEGASUS

V HALESWORTH TOWN

EVERY so often, a story breaks in Non-League where you have to not just double take but triple.

That was the feeling we had at NLP towers when Bury FC announced they'd appointed manager Anthony Johnson – as SOLE manager.

Now, in case you don't know, Johnson has formed one half of, arguably, Non-League's most successful management duo in recent years.

Alongside his best mate Bernard Morley, the duo have spent 17 years in the dug-out together since landing the job at North West Counties League Ramsbottom United.

They were in their mid-20s then and have since gone on to win two promotions with Rammy, followed by three promotions in three-and-a-half years at Salford City under the Class of 92 microscope.

Spells at Chester, who they took to the National League North play-offs, and Spennymoor Town followed before returning to the dug-out May 2023 to take charge of then-NPL Premier Radcliffe.

The duo delivered their sixth promotion as a pair to take Boro to Step 2 for the first time in club history.

The only surprise is they're yet to manage in Non-League's top flight.

From a journalist's point of view, there aren't many better duos to interview either. They're open, honest, to the point, funny – and clearly knowledgeable. Their love for the game – and each other – shines through as well.

So that's why it would have surprised many to see them branch out separately.

Johnson has always dreamed of the Bury job. It's his club and even though it means dropping two levels, he just couldn't turn down the chance to try and lead his team back up the Pyramid.

He wanted Morley to join him but he's happy at Radcliffe – a club on his own doorstep – and decided to stay on, signing a new contract.

Johnson joined us on a recent episode of The NLP's Non-League Goalmouth for a fascinating chat on, among many other great stories, the decision.

Johnson told The NLP: "The biggest thing for me – apart from all the other stuff we're aware of that I'm a Bury lad and a Bury fan – was that, and I've got to be honest because that's how I do things, I thought,

'If someone else took the job, it wouldn't become available again for a few years.'

"I don't want to start throwing names out there but if managers with real quality, locally to us, took the gig, I just didn't think the job would come up again.

"Whatever you call that, it sort of bothered me because I always thought down the line at some point me and Bern would take the Bury job.

"I was saying to him, 'Look, we've got to take it now. If we don't take it now it's something I, especially, will regret'.

"Because it will be one of those things when I finish and look back I can say, good or bad, right or wrong, I did it, I gave it a go. That was probably the overriding reason for it. Added to all the other factors – it's a club I've supported since I was a young boy."

Johnson and Morley have been through more than just football management together and that's what made the decision so tough.

"Our daughters were born within a couple of weeks of each other, he was the best man at my wedding," Johnson, who will remain in his day job at Radcliffe, said. "We're friends. From a friendship point of view, nothing changes.

"I've really made peace with the fact I've got to give this a go – however it pans out. Hopefully it pans out as I've dreamed and imagined. If it doesn't, I've taken an opportunity I've waited for 17 years for and given it the best shot I can.

"Unfortunately to do that I've had to turn a few lives upside down. And I mean that. I know it might sound like I am exaggerating the point but our families, our lives, are so intertwined.

"I spent two hours at Bernard's mum's house. Bern was working, he didn't even know I went round. His brother was there, his stepdad, I sat down and explained my situation.

"They were all buzzing for me. You can imagine, very emotional too."

And that's the thing about football. Sometimes the decisions are tough. You can bet they will both be each other's biggest supporters from the sidelines.
